

A world map showing the distribution of 1000 data points, colored red and blue, representing different categories. The map includes labels for major countries and oceans. The red points are concentrated in Europe, North America, and parts of Asia. The blue points are concentrated in South America, Africa, and parts of Asia. The map also shows the outlines of continents and major bodies of water like the Atlantic Ocean, Pacific Ocean, and Indian Ocean. Country names are labeled in all caps, and some are in a larger font than others. The map is oriented with North at the top.
